The Sal forests and immense meadows contain tigers and leopards and support huge populations of deer and antelope, including the extremely rare barasingha. After reaching, check-in at the hotel for dinner and stay overnight in Kanha.

Day 02 Safari in Kanha

Early the next morning proceed for a Jungle Safari in the park and go back to the hotel for breakfast. Post lunch enjoy a second (evening) Jungle Safari and try your luck once again to catch a glimpse of India's most famous and endangered predator, the Royal Bengal tiger. Apart from the magnificent and elusive tiger, some of the other park inhabitants are the gaur, the largest of the world's cattle; the sambar, the largest Indian deer; and the chausingha, the only four-horned antelope in the world. Alternatively, you may plan independent activities to explore the richness of this park through Nature Trails. A well-marked 7km trail leads from just inside Khatiya Gate and skirts along the edge of the park before looping back to the village. Mostly you will see a lot of monkeys and birds, but tigers do venture into this area on occasion and an accompanying guide is essential. Stay overnight in Kanha.

This morning after breakfast proceed to PENCH (210 Kms / 4.5 hrs). PENCH National Park conjures up images of Mowgli, Bagheera and the "Bear Necessities" and is immortalized by Rudyard Kipling in The Jungle Book.
