The Great Migration

Nairobi > Ngorongoro > Serengeti > Maasai Mara

Experience one of the nature's most magnificent shows – the Great Migration. From the end of July through to mid-October, when over 1.5 million wildebeest and 200,000 zebra migrate from The Serengeti. This is truly nature at its most dramatic. On this holiday stay at some of the world's top luxury lodges like the Ngorongoro Crater Lodge, Four Seasons Serengeti, Elawana Sand River in Maasai Mara and the Hemingways Nairobi. Your experience is further enhanced as you travel from one park to another on bush flights – eliminating long drives. All in all – a truly all-encompassing tour.

An exclusive 5 star luxury boutique hotel located in the peaceful suburb of Karen far from the bustle of central Nairobi. An all-suite property providing full butler service, a brasserie, a sunset bar and lounge and a spa, this plantation style property is perfectly placed for trips to Nairobi.

Hemingways, Nairobi

Consistently recognised as one of the world's most luxurious and elegant places to stay, Ngorongoro Crater Lodge is situated right on the edge of the Ngorongoro Crater. Between the natural riches of the Crater spread out at its feet and the incredible architecture, it's easy to believe that you have entered a realm of pure fantasy

andBeyond Ngorongoro Crater Lodge

Four Seasons Safari Lodge, Serengeti

Deep in the heart of the world's most celebrated wildlife reserves, where the Big Five – the lion, the leopard, the buffalo, the elephant and the rhinoceros – run free on the endless, untamed landscape. Perched on a series of elevated platforms and walkways, our Lodge sits next to an animal watering hole, where you can watch a family of elephants stop for their morning drink as you sip your own out on your room's private balcony.

Elawana Sand River Camp, Maasai Mara

Situated on a secluded and picturesque site, Sand River Masai Mara replicates the heyday of exclusive permanent tented camps of the late 1920's.

The interior fixtures and furnishings mirror this period perfectly, reminding all who visit of those countless Hollywood movies that have paid homage to a classic era of African adventure.
